

# Biblical Principles of Financial Planning

Title	Biblical Principle
Ownership	God owns 100% of everything
Integrity	Deal fairly with others
Generosity	Give generously
Planning	Plan ahead
Budgeting	Spend less than you earn
Borrowing & Lending	Borrow cautiously and repay, lend freely
Savings & Investment	Establish a savings plan
Provision for Dependents	Make provision don't protect

Ask your local Christian Financial Adviser for more detailed help and assistance in interpreting how these principles can be adopted within your own financial planning.
